

# Tell me Why (Bully?) words & Music Francesco Scarito ©2012

## VERSE 1

Why would you, feel the need to ridicule  
the things I do  
I've never done a thing to bring you down  
To make you wish you weren't around

Do you contemplate  
The consequences or do you just celebrate  
Your triumph on the weak and not see  
crime  
Cause out of sight is out of mind

## BRIDGE

Yet if you're feeling low please know that I  
will be there for you when you call  
I know, just how it feels cause I have been  
there  
Far too long, I wrote the song, the song  
that's asking you to tell me why

## CHORUS

Do you decide to be the way you are?  
Will you tell me why?  
Tell me why? While others show you  
kindness you choose mean?  
Will you tell me why?  
Please tell me why?  
Please tell me why, tell me why oh why,  
won't you, tell me why?

## VERSE 2

Criticized, for wanting to be me and not  
somebody else  
According to your jibes i must be wrong  
And should have sung a different song

One that's All about, compromising self so i  
can join the crowd  
But deep inside I'll know that I betrayed,  
the role that I was born to play

## BRIDGE

Yet if you're feeling low please know that I  
will be there for you when you call

I know, just how it feels cause I have been  
there  
Far too long, I wrote the song, the song  
that's asking you to tell why

## CHORUS

Do you decide to be the way you are?  
Will you tell me why?  
Tell me why? While others show you  
kindness you choose mean?  
Will you tell me why?  
Please tell me why?  
Please tell me why, tell me why oh why,  
won't you, tell me why?

## Middle

We need to shine, to shine our light so  
bright that is how it's supposed to have  
been

Along the way, our thoughts begin to sway  
to the obstacles thrown in our way

## BRIDGE

Yet if you're feeling low please know that I  
will be there for you when you call  
I know, just how it feels cause I have been  
there  
Far too long, I wrote the song, the song  
that's asking you to tell me why

## CHORUS

Do you decide to be the way you are?  
Will you tell me why?  
Tell me why? While others show you  
kindness you choose mean?  
Will you tell me why?  
Please tell me why?  
Do you decide to be the way you are?  
Will you tell me why?  
Tell me why? While others show you  
kindness you choose mean?  
Will you tell me why?  
Please tell me why?  
Please tell me why, tell me why oh why,  
won't you, tell me why?
