‘Safe by choice, not by chance’

Your safety, health and welfare are important to me.

This card gives you my direct authority to stop anything you consider unsafe or harmful and to take action to make it right.

Let’s all make the choice to be safe and not leave it to chance

Stop: Has anything changed?

Think: Do you need to change the plan?

Assess the risks

Review the plan: Can it be done safely?

Take Action: Be safe by choice

Think about People, Place, Plans, Equipment
