

The magic Rubik's cube

How a Rubik's cube saved someone's life

Scene 1

We start with a scene with two non identical twin sisters who are together with a group of friends discussing the problem about their brother at a park bench.

Julie

Kacy & Kathy I didn't want to say this but I saw your brother Alex yesterday & he was stumbling all over the place. He looked totally drunk. Is everything ok?

Bobbie

I've seen him like that too. Sorry to say but he seems crazy.

Kathy

When he's sober he's actually the most wonderful person. But he has a problem.

Kacy

We've been trying to keep it quiet, us and his girlfriend Maria, but obviously you guys have noticed.

Addison

Do your parents know?

Kacy

No we're keeping it from them.

Kathy

Though we don't know how long we can keep it from them for.

Bobbie

But you need to get help for him. Your parents need to know.

Kacy

We've promised Alex that we wouldn't tell them but things have gotten more and more serious.

Kathy

Maria has allowed us to cover up by saying that he's round hers but we can only do that for so long.

Suddenly a person seems almost to appear out of nothing and say.

Rubiko

Hello everyone. My name is Rubiko and I have a magic Rubik's cube here for you.

Bobbie

Magic? Yeah right.

Addison

Just another con man trying to make money out of us.

The Rubik Cube Seller turns to Kathy and Kacy and says

Rubiko

I have come here because I know that you're going to need the magic powers of this cube to help your brother.

Kathy
How did he know about our brother.

Addison
Easy he probably just heard our conversation and now he's making out that he's telepathic.

Rubiko
I'm not selling you anything. I'm here to give you this for free. To help you.

Kacy
Ok then, what magic can it do?

Rubiko
If you have a problem all you need to do is solve the puzzle and it will take you to the precise moment & location where you can solve the problem.

Rubiko hands the cube to Kacy. Kacy put's it into her bag.

Bobbie
I'd chuck it if I were you.

Kacy
No I'm keeping it.

Kacy turns round to thank the guy but he's gone. Instead she sees someone running towards them. It's a friend of their brother called John. He talks to them out of breath.

John
Kacy, Kathy. You need to come quickly. Alex has had an accident after getting extremely drunk. He's hurt real bad.

Kacy & Kathy look horrified as do all the friends.

John
You guys better come with me real quick.

Kacy & Kathy get up and run off together with John.

Scene 2

Kathy & Kacy are sat there with a newspaper article about the death of their brother.

Kacy
He was too young to die

Kathy
We should have told mum and dad. We shouldn't have promised him to keep his problem secret.

Kacy
You're right but it's too late now.

They sit there for a while really upset. Perhaps we'll add some tears.

Kacy
Hold on. I've just remembered. I've got that Rubik's cube in my bag.

Kathy
And?

Kacy
Well that man said..

Kathy
Kacy you don't believe that rubbish. Throw it away.

Kacy get's it out and starts doing it. Eventually finishes it and at that moment suddenly they're transported.

Scene 3

To a room where Alex is sat with a bottle of alcohol

Alex
Flipping eck. Where did you two suddenly appear from?

Kathy
It worked

Kacy
We've come from the future Alex.

Alex
Are you guys delusional

Alex opens the bottle and is about to drink

Kathy
Alex put that down right now

Alex
No I need a drink

Kacy gives him the newspaper article

Kacy
Alex, we've come from the future as this has already happened and we need to stop it. This is serious. You get so drunk that you fall and fatally hit your head.

Alex
You've just made up a newspaper article.

Kathy
We can prove we're from the future

Alex
Ok, give it a go.

Kacy
We promised you not to tell mum about your drinking and we stuck to our promise. Now it's your turn to promise us to stop the drink if we can prove that we're from the future.

Alex
I promise you. Good luck with it though.

Kacy
Get the game between Man United and Chelsea up on your phone.

Alex sets it up

Alex
Yeah it's one all at the moment.

Kathy

Well Chelsea are just about to score another. In fact it will be Mount who scores.

Alex sets it up. Seconds later Mount scores

Alex

wow. How did you know.

Kacy

Cause we're from the future and you're about to die if you drink from that bottle and if you carry on drinking.

Maria

Listen to them Alex. I can't cope anymore and neither do I want to lose you. Stop drinking right now or I'll walk out of that door.

Scene 4

We see Maria and Alex walking along laughing and happy. They look behind them and Alex says.

Alex

Kathy, Kacy, Rubiko and everyone else. I wouldn't be here now if it wasn't for all of you. Thank you for saving my life

And then they walk off into the distance.
